

December 2009

Dear parents/carers,

Please find attached a time-table of the extra curricular provision that has been provided for Melbourn Village College students this term. We are now in the process of collating the time-table for the Spring Term, which we will send to you at the beginning of next year.

As you will see from the time-table, most of this provision is provided free of charge by members of staff. If other activities were to take place, this would inevitably incur a charge, as we will be using outside providers.

Would you be kind enough to take time to look at the present provision. If you feel there are activities that you would like your child to take part in after school, please indicate on the slip below and return to the College reception by Thursday 10<sup>th</sup> December.

Yours sincerely

Regina Lawrence  
Associate Warden
