

Year 8 Trip to West Runton Beach

Monday 6th July

We are going to the Norfolk Coast to study the Ecology of the Seashore, and to look at Coastal erosion and the Geological features of the beach.

Then there will be some free time on the beach when we hope your team will take part in the seaside competitions!! The team with the most points overall will win prizes.

You will need to bring:-

- (i) Packed lunch
- (ii) Waterproof clothing / suntan lotion & sun hat
- (iii) Sensible clothes and shoes for walking on the rocky shore (old trainers!)
- (iv) Pens/pencils
- (v) Small plastic container for collecting animals
- (vi) Plastic bag for putting wet trainers in.
- (vii) Small amount of money (there is a shop)
- (viii) Camera (can be left on coach)

- **Because of safety regulations we cannot allow any swimming ***
